

## **COMMONWEALTH CUP 2014**

### **AGE DIVISIONS**

Custom age divisions will be used for this meet. All Sessions will have different Age Divisions. Age Divisions are created to keep them smaller rather than to lump all of one age together. This allows the girls a greater opportunity to place. Therefore, the same age may be in more than one age division within a level within the same session. To determine what age division your gymnast is in, first look for her level. Under the level, find the session that she is scheduled to compete in and locate her birthday within the range.
